## FOUGHT TO THE LAST

General Pareades Made Desperate Resistance at Puerto Cabello.

## THE TOWN RUINED.

Over Six Hundred Is the Estimate of the Dead and Wounded—The End of the Venezuelan Revolution Is Near.

Puerto Cabello, Nov. 13.—General Pareades, a former commander in the army of ex-President Andrade, who had refused the demand made by General Cipriano Castro and the de facto authorities to surrender the town, even when this was reinforced by the request of the British, French, American, German and Dutch commanders, surrendered Sunday morning at 10 o'clock after a terrible battle.

The aspect of the city is one of ruin and devastation, and it is estimated that upwards of 650 persons were killed or wounded during the engagement.

Dr. Braisted of the United States cruiser Detroit and the other surgeons of the various warships in the harbor, ministered to the wants of the wounded.

General Ramon Guerra began a land attack upon the town and the position of General Pareades on Friday night. Desultory fighting continued until Saturday morning about 4 o'clock, the fierce struggle ensuing later. General Pareades made a stubborn defense, but General Guerra forced an entrance into the town about 4 o'clock Saturday.

As early as 8 o'clock Sunday morning the fleet arrived and began a bombardment, but the range was too great and the firing proved ineffective.

General Pareades held the fort on the hill and Fort Libertador until 10 o'clock Sunday morning.

### Reports of the Surrender.

Washington, Nov. 13.—Both the state and navy departments have received reports concerning the surrender of Pareades at Puerto Cabello, Venezuela, Sunday. The state department dispatch was from Minister Loomis at Caracas and is as follows:

"After eight hours' fighting Castro's army took Puerto Cabello Sunday morning. The killed wounded aggregate 800. Surgeons and hospital corps from foreign cruisers are attending the wounded. Castro holds every port and place of consequence in Venezuela."

The navy department's report comes from Commander Hemphill, of the Detroit, which is now at Puerto Cabello. It reads as follows:

"Severe fighting since Saturday morning. About 300 killed on both sides. Pareades surrendered his final position to Castro's forces Sunday morning."

### The Jury Disagreed.

Muskogee, I. T., Nov. 13.—The jury in the Creek warrant case in which C. H. Worth, former cashier of the First National bank of this city, was defendant, reported a disagreement and were discharged. Eight jurors voted for conviction and four for acquittal. A new trial will be had in the next term of court.

The Creek warrant cases are famous and already ex-Treasurer B. Childress, James Egan and T. E. Smiley have been sent to the penitentiary for their connection therewith. The cases involved a steal of \$93,000, committed against the Creek Nation in 1897. The case against Worth has been in progress for the past 10 days.

### A Mexican Killed.

Del Rio, Tex., Nov. 13.—Mauricio Garza, a young Mexican belonging to a gang of five who have been operating along the river for some months past, was killed by the state rangers near McKee's siding, about eight miles from Del Rio, while resisting arrest. As soon as the rangers and river guards approached the house where he was he commenced shooting at them. They returned the fire. Garza fell pierced by several bullets and died instantly. The others of the gang were not with him and have not been found yet, but they are being hunted on both sides of the Rio Grande by Texas rangers on this side and the Mexican rangers on the Mexican side.

### Child Wife's Suicide.

Joplin, Mo., 13.—A child wife, Mrs. John Calkins, committed suicide at Galena, Kans. She was only 15 years old and had been married two years, having become a bride at 13. She wanted to go to Hastings, Neb., to visit her sister, but her husband objected, whereupon she got a pistol and shot her self through the head, dying almost instantly.

### Serious Wreck.

Pittsburg, Nov. 13.—A Pittsburg and Lake Erie freight train crashed into the caboose of another train at McKee's Rocks. Engineer A. C. Carter was taken out dead. Conductor T. B. Brown had both legs broken and may die. Another trainman was seriously hurt. By some it is thought that another man,

probably a tramp, stealing a ride, was also killed.

### A Life Penalty.

Rockport, Tex., Nov. 13.—In the district court Saturday the case against Jim Upshaw, colored, charged with the murder of Julio Alamia, was called. The case was given to the jury at 1 o'clock. They returned in a few minutes with a verdict of guilty and assessed his punishment at life imprisonment.

### KILLED BY A NEGRO.

Two Citizens in Mississippi Shot by a Supposed Demented Man.

Round Lake, Miss., Nov. 13.—Two shocking tragedies followed each other here Sunday night. N. K. Graves was assassinated and in 10 minutes Arthur Maxwell was shot and killed.

At 7:30 o'clock Dick Dickerson, a negro, aged about 50 years, who had been regarded as crazy, slipped up to a point near a window of the bedroom of the store of Mr. St. Clair and fired and mortally wounded Graves. There was no warning and Graves had no idea that the negro even entertained any ill-feeling toward him. Mr. St. Clair was in the room at the time and fired three shots at the fleeing negro, but the crazy assassin escaped.

The shooting created tremendous excitement, and Arthur Maxwell was among the number who gathered around the store. In 10 minutes after the first shot Dickerson rushed up to a point behind a tree and again fired. Maxwell fell to the ground and in a moment was dead. The double assassin again escaped.

The doctor pronounced Mr. Graves mortally wounded.

It is thought that the negro entertained an insane hatred toward Mr. St. Clair, and was seeking to murder him when he shot Graves. Every effort is being made to capture Dickerson.

### Run Over and Killed.

Galveston, Nov. 13.—James Edward Glover, 13 years old, and son of C. R. Glover of this city, was run over and killed by an incoming Missouri, Kansas and Texas freight train. He attempted to jump on the moving train at the Fifty-eighth street crossing and fell under the wheels. His body was ground to pieces.

### Condition of Mr. Hobart.

Paterson, N. J., Nov. 13.—Vice President Hobart passed favorable nights Saturday and Sunday, and the improvement that has been observed for several days continues. He ate solid food with relish, and it promptly assimilated. With his meals he took milk and between meals was given milk punches.

### Given a Life Verdict.

Daingerfield, Tex., Nov. 13.—The jury in the Joe Thomas murder case have returned a verdict of guilty of murder in the first degree and assessed his punishment at confinement in the penitentiary for life. Thomas, who is a negro, killed Ex-Sheriff J. W. High at Naples in this county, on the night of Dec. 27.

### Captain Killed by His Crew.

St. Johns, N. B., Nov. 13.—The captain of the schooner J. B. VanDusen of New York, bound to New York, was killed by one of the crew Saturday night near Ponce le Preaux. While the body was being landed by the mate and one of the crew, the schooner sailed away.

### Wounded Prisoner Improving.

Kaufman, Tex., Nov. 13.—King Martin, the prisoner shot a few days ago by Sheriff Keller while attempting to break jail, continues to improve. It is more than likely that he will recover to hear the mandate of the court of appeals on his case, for which he is condemned to die.

### Miles Coming East.

San Francisco, Nov. 13.—Major General Miles has reviewed the troops at Presidio and left for the south. He goes to Los Angeles and San Diego inspecting the fortifications there. In all probabilities he will stop off at Tucson, Galveston and New Orleans on his way east.

### Suicide in Jail.

Leavenworth, Kan., Nov. 13.—Walter Mitchell, confined in the Leavenworth county jail under an indictment for murder, committed suicide by hanging himself from the top of the cell door. He made a rope out of parts of blanket.

### Hunter Accidentally Killed.

Conway, Ark., Nov. 13.—James Thornton while out hunting near town accidentally struck the hammer of his gun on a log, discharging two loads of shot into his bowels, killing him almost instantly.

### Japan Opposes Russia.

London, Nov. 13.—A special dispatch from Shanghai says the differences between Russia and Japan have been accentuated by Japan's refusal to grant Russia a foothold on the sea front at Massampo Harbor, Korea.

### Buddhist at San Francisco.

San Francisco, Nov. 13.—Several Buddhist missionaries are now here taking steps to establish a temple of their faith in this city.

### THE UNVEILING

#### At the City Cemetery Yesterday.

Brazos Camp Woodmen of the World, according to program, unveiled a monument erected by them to mark the grave of their deceased member, J. C. Williams, at the Bryan cemetery last Sunday.

The impressive ceremonies were participated in by delegations and representatives of other lodges, as follows:

Presented by twenty-five members; Calvert, twenty-two; Hearne, eleven; Franklin, two; Millican, by J. F. Crouch; G. W. Price, L. M. Ryan; Wellborn, by W. A. Eidson, E. Gandy, T. E. Wade, M. S. Freeman, H. L. Gentry, J. C. Royder, W. S. Dixon.

The Hearne delegation was headed by Consul Commander Hamilton. Names of visiting delegations, except those from Brazos county, could not be obtained.

Brazos Camp feels honored by the liberal turnout from sister lodges, and we are pleased to state that the visiting Woodmen expressed high appreciation of the cordial reception accorded them, being enthusiastic in praise of Bryan hospitality. Several ladies accompanied the visiting Woodmen from up the road, and with the wives and sisters or the Bryan Woodmen, lent a charm to the occasion.

The ceremonies at the cemetery

were impressive. They were witnessed by a large concourse of spectators.

There are so many people especially distinguished by acts of kindness and heroic work in contributing to the successful event, that we feel sure we cannot remember and name them all, but an attempt will be made in the notes below to extend recognition to some of the most deserving.

#### NOTES.

Judge V. B. Hudson's oration was prepared upon extremely short notice—only a few hours—but it fairly bristled with beautiful passages and was a splendid tribute to the noble work of Woodcraft in its distinguishing features, those dwelt upon most being the Woodmen's devotion to the memory of deceased sovereigns, and spoke kind and true words in praise of the one at whose grave he stood.

Prof Hickman, though not a Woodman, assisted by reading the poem which is a part of the ritual, in an impressive manner.

Mr. A. W. Hollman was committee of one on music, and did his work well. His orchestra furnished music at the opera house until twelve o'clock for the entertainment of the visitors who waited for trains to take them home, and the audience evinced their appreciation unmistakably.

Elder Jewell Howard preached a sermon to a crowded house at the opera house at 8 p. m. It was a most fitting and appropriate discourse for the occasion.

The Harris band deserves special thanks of the Woodmen for

tendering their services. Their renditions were good, and it seems now that it would have been impossible to have dispensed with their contribution to the exercises of the day.

Mrs. J. K. Davis, Miss O'Bar, Miss Hollman and others rendered some appropriate vocal selections at the unveiling.

The John B. Mike hall, generously tendered by Sovereign J. B. Mike for the supper, was decorated appropriately, with Woodmen's emblems and mottoes.

Tom H. Franklin's barbecued meats were prepared in just the nicest manner that this writer has ever come across. They were the praise of all.

Sergeant Wm. Fenley of College, put in two days of the hardest work of all. He had general charge of the table and all arrangements, and his work was thorough and successful.

Mrs. Joe B. Reed did indefatigable work in rounding up the supplies for the table, and started several of the good Woodmen ladies to cooking at the last hour, resulting in a bountiful supply of good things to eat.

#### FROM IOLA.

[NOTE—This letter was received on Wednesday night of last week, just after our weekly edition had gone to press. Some of the items would be out of date for this issue, and are omitted. Our correspondent will please mail letters so as to reach us Tuesday of each week, at latest.—Editor Eagle.]

Mrs. Donie Stover, wife of Tommie Stover, died of black jaundice last Thursday evening, and was buried at Martin's Prairie. She leaves many relatives and friends to mourn her loss. She was very much liked by all who knew her, and she will be greatly missed by her many schoolmates and friends. She has only budded on earth to bloom in heaven, and may she be a guiding star for those left behind.

Dr. Cruse, who has been on an extended visit to his parents, has returned. A Friend.

#### A Birthday Party.

Master D. D. Dawson and Maggie Dawson having reached the tenth and seventh milestones respectively in the journey of life, a large number of their playmates gathered Friday afternoon at the pleasant home of Capt. and Mrs. Dawson in honor of the occasion. Conspicuous among the tokens of love and memory was a gift from "Mit" and "Mamie" from away up north, who not only made their little brother and sister happy, but also others by the assurance that they will be at home Christmas eve.

Mrs. Dawson did everything possible to add to the enjoyment of those present, the memory of which will long be cherished.

Manager Mike has dropped onto a big thing in getting "Wang" opera company for Saturday night of this week. His only regret is that he has so many of his good things all bunched up in one week—"The Nominee" tonight, Field's Minstrels Friday night, and "Wang" Saturday night. Still the play-going public say they want good attractions, and will doubtless give these three great shows good houses, to encourage the manager to bring others. Besides, some weeks he has nothing, and you can make up for the few shows we have had this season by going to three good ones in one week. See advertising columns.

The young ladies of the Episcopal church have invited their friends to a birthday party at the residence of Mrs. F. I. Garth Friday, Nov. 17th, 1899, from 4 to 6 and 8 to 11 o'clock p. m. This in the celebration of the birthday of each guest, who is requested to return the invitation card with as many cents as the sender is years old. A nice little poem on the invitation card explains the scheme.

## AGUINALDO HEMMED.

American Troops Surround the Filipino Leader and His Army.

### IMPORTANT CAPTURE

His Secretary Falls into the Hands of Colonel Hayes—His Army Demoralized and Poor Fighting Trim.

Manila, Nov. 13.—General Young has reached San Nicholas, about 30 miles east of Dagupan, but his wagons are far behind.

Colonel Hayes has captured Aguinaldo's secretary and Major Coleman is in Carranglan with an escort of 175 Bolomen on his way to the province of Nueva Visaya. A son of General Llaneras and his family are prisoners. The general barely escaped.

A correspondent of the Associated Press with General Young telegraphs from San Jose that Aguinaldo did not escape to the northeast. He and his army are surrounded. His last orders to the Filipino commanders at San Jose was to hold San Jose and Carranglan at all costs.

The recent encounters have been too one-sided to be called fights. The insurgents are mortally afraid of the Americans, however strong their position. They make but a brief and feeble resistance and run when the terrible American yell reaches their ears, whereupon the Americans pursue them and slay many.

The moral effect of the news that 60,000 troops are on the way here has been unquestionably great. The insurgents are suffering more from disease than the Americans, owing to poor food, the lack of medicines and the filthy hospitals with the result that there is great mortality among them.

General Lawton intercepted a telegram from an insurgent captain to a Filipino general reading: "How can you blame me from retreating when only 12 of my company here are able to fight?"

#### New Orleans at Port Said.

Port Said, Nov. 13.—United States cruiser New Orleans from New York Oct. 21, arrived here on her way to the Philippines.

#### THE COUNT RESUMED.

It Will Be Several Days Before the Result Will Be Announced.

Louisville, Nov. 13.—Counting of ballots was resumed by the county canvassing boards today in the counties where the work was left unfinished last week. The counting is likely to drag along well into the present week. In this city it is especially slow, the commissioners having reached only the second ward. There has been no change since Saturday estimates of pluralities by the two parties. Both still claim the election.

#### Trouble at Harboursville.

Barboursville, Ky., Nov. 13.—The people of Barboursville awoke early this morning surprised to find over 4000 people from the rural districts congregated on the streets. Incensed at the reports that the vote of Knox county would be thrown out, and tired of waiting for the commissioners to certify the vote, they came to town to see their liberties protected as they expressed it. Injunctions were filed on the commissioners to compel them to finish the count, but the commissioners were slow in taking action. The people are wrought up to the highest excitement and not in a humor to tolerate crookedness. If given a fair count all will be well, but if not there will, certainly be trouble.

#### Thousand Mile Trip in a Surrey.

Hagerstown, Md., Nov. 13.—Benjamin Teach, wife and daughter, Miss Winifred Teach, of Rock Falls, Ill., have completed a drive in a 2-horse surrey from Illinois to Leitersburg, Md., a distance of 1000 miles. They left Rock Falls on June 12. The drive, including stops, was made as far as Plattsburg, Pa., in four weeks. They traveled on an average of 40 miles a day. They carried a tent and stove with them and camped in the Alleghenies until late in the fall.

#### Henry Brown to Hang.

Greenville, Tex., Nov. 13.—Henry Brown was found guilty of murder in the first degree here and had the death penalty given him. Brown went to Frances Melton's house in Commerce, in this county, and putting one arm around her head bent it back and cut her throat with a razor, killing her instantly. Jealousy was the cause. Both parties were negroes.

#### Embraced the Jewish Faith.

Little Rock, Nov. 13.—Dr. Alexander, of Conway, who came to Arkansas from Louisville, Ky., has renounced the Christian faith and has received in the Jewish faith by Rabbi Wolsley, of this city. He is to be married next Wednesday to Miss Cora Frauenthal, of Conway. Dr. Alexander is a graduate of Vanderbilt university.

#### Bryan to Winter in Texas.

Fort Worth, Tex., Nov. 13.—W. J. Bryan, with his family, will winter in Texas. Colonel R. M. Wynne received word from Colonel Bryan that he would soon come to the state for the benefit of a sick child. He will probably locate at Austin.

## ENGAGEMENT EXTRAPRDINARY

Next Saturday Night — Albert Hart in "Wang."

The comic opera, "Wang" at the opera house Saturday night, will be an engagement par excellence. Manager Mike by diligent work has succeeded in securing a great treat for the amusement lovers of Bryan. Notwithstanding the enormous expense in producing this opera, the prices will not be advanced.

The reproduction of this perennial popular opera this season is made with entirely new and gorgeous stage setting and costumes, and the cast, including the chorus, selected with the greatest care, should make the presentation acceptable in every way.

The Atlanta Constitution of October 18, says: "A large audience assembled at the 'Grand' last night to see that perennial favorite, 'Wang,' and the

ALBERT HART.

applause and laughter which were heard throughout the performance showed that the opera has lost none of the splendid qualities for an Atlanta audience. The stage settings were quite elaborate, and absolutely new, the costumes fresh and the girls decidedly pretty.

Albert Hart makes a capital "Wang" with the towering statue and sonorous voice, he looks and acts the part perfectly. He is quite as funny as Hopper in this role. Frank Casey as Papet, the keeper of the elephant, is delicious. His every appearance was a signal for laughter. Miss Alice Holbrook was charming as in Mataya. Her various solos were enthusiastically encored. Miss Arnold Lathrop as Widow Fri-mausse was good. The baby song with the little children was excellently done. It is one of the gems of the opera. Don't miss "Wang." It will please you.

The hunting party who went to Matagorda county, as heretofore reported in the Eagle, returned Saturday night, with the exception of one or two who returned earlier in the week. All report a great time and lots of fun. Ten deer were slain, which are credited to members of the party as follows: Marion Mosely, 3; T. C. Nunn, 2; A. F. Wilson, 2; H. G. Rhodes, 1; Ed Saunders, 1; Hill Wilson, 1; Dr. Oliver killed a beautiful leopard cat.

The Sewanee football team beat Tulane University at New Orleans Saturday, by a score of 63 to 0. This puts the A. & M. boys in the lead of Tulane, until Tulane plays and beats the A. & M., which they cannot do. Sewanee only beat College 10 to 0.

Mrs. M. Nagle, of Corsicana, is visiting her mother, Mrs. Waldrop. Mrs. Nagle is much improved in health after a summer spent in west Texas.

## CHANCES OF THE BOERS.

British Say They Must Strike Fast to Win Out.

London, Nov. 13.—Simultaneous attacks on Ladysmith, Mafeking and Kimberly, which opened Thursday, manifests the full recognition by the Boers of the fact that every day lessens their chance of a successful onslaught on any of the British strongholds. Gen. Joubert's chances of reaching Pietermaritzburg can be said to have diminished. This is already reported to be admitted by Colonel Schiel, the German officer commanding the Boer artillery, who is supposed to have largely the author of the Boer plan of campaign and, who, in an interview, is alleged to have

COLONEL SCHIEL.

said: "The Boer intention was to capture Pietermaritzburg and then dictate terms. But all hope of accomplishing this must now be abandoned."

There is no doubt from a British point of view that the general situation in Natal is rapidly improving. Nearly 8000 troops have reached South Africa during the last 48 hours and by the end of the week from 6000 to 7000 more will be added to the British strength in Natal. These probably will be pushed forward to Estcourt bringing the British force there up to 10,000 men, making a general attack on Ladysmith by Gen. Joubert very hazardous.

As the cavalry and artillery belonging to General Methuen's division has not arrived, the advance from Estcourt may be delayed. But if it is deemed essential to open communication with the beleaguered town at the earliest possible moment, General Methuen may decide to replace the regular cavalry and artillery by Natal and Outlander mounted forces and naval guns, in which case, it is claimed, it ought to be possible to occupy Colenso and stretch out a hand to General White by Monday, though, it is added, the course to be followed by General Methuen must necessarily be dictated entirely by official knowledge of General White's position and resources, and experts hope General Methuen will be able to wait concentration of the whole division before advancing, and thus have a better chance of dealing a telling blow to Gen. Joubert's main army which it is asserted is caught between two British forces and compelled to either fight in general action or retire.

## BOERS DRIVEN BACK.

Rumors from Ladysmith Say They Suffered Heavy Loss in Battle.

London, Nov. 13.—A special dispatch from Durban, Natal, dated Nov. 9, says: "Native runners who have just arrived here report that the Boers suffered severe defeat at Ladysmith this morning. Boer guns were silenced after four hours' fighting, during which the Boer losses were heavy. No details received."

The war office has made public dispatches from General Buller received by him at Cape Town. The following were sent by Colonel Baden-Powell: "Mafeking, Oct. 30.—All is well here, the enemy is apparently shy of attacking. Now closing to invest us. Are today destroying railway, 12 miles north with dynamite. Shelling continued. Doing very little harm."

"Mafeking, Oct. 31.—The enemy attempted assault today on Cannon Kopje and the southeast corner. Attack most brilliant, notwithstanding the hot shell fire by the British South African police. The enemy lost heavily. Our casualties were five killed and five wounded."

"Mafeking, Oct. 25.—All well here. Enemy still shelling. We made a successful night attack on the advance trenches last night, getting in with bayonets. Our loss was six men of the Protectorate regiment killed, nine wounded, including Captain Fitz-Clarance of the Third Royal fusiliers and Lieutenant Swinton. The enemy's loss is unknown, but it was considerable. The enemy vacated Signal hill and laagered two miles northeast of town and two miles southeast."

## Troops Reach Cape Town.

London, Nov. 13.—Advices received here announce the British troopship Oriental with 75 officers and 1218 men on board arrived at Cape Town.

## French Steamer Stopped.

## RESISTED ARREST.

One White Man and Five Indians Killed in Arizona.

Flagstaff, A. T., Nov. 13.—One white man and five Navajo Indians were killed and two white men and a Navajo wounded, was the result of an attempt of a deputy sheriff to arrest a Navajo on Saturday, 10 miles south of Walnut station.

On Nov. 6 a band of six Navajos in Canon Pedro, below Alderson Rim, held up William Montgomery, a cowboy in the employ of William Roden, a cattleman. They accused him of stealing horses and threatened to kill him. He came to Flagstaff and obtained a warrant for their arrest, and with Deputy Hogan left to make the arrest. At Roden's camp they were joined by William Roden and Walter Durham, who went along to show the deputy where the Navajos were camped. Arriving at the camp the party dismounted anticipating no trouble. Hogan attempted to execute the warrant and entered a brush corral where four Navajos were, when the Indians made a resistance and a shot was fired at Hogan, striking him in the back, he at the same time being in a tussle with one Navajo who was trying to shoot him. Hogan drew his pistol and killed his antagonist. The fight became general. The result is that five Navajos are dead and one wounded. Montgomery was shot through the heart. Hogan was wounded three times but not seriously.

### Three Suspicious Women.

New York, Nov. 13.—Police Captain Delany has arrested three young women whom he believes to be western women who have been working the city for some time past. In searching their rooms, the police found brass knuckles, a revolver and a large number of pawn tickets ranging in sums from \$10 to \$50. The latter were for diamonds, rings, watches, gold and silver plate. A bottle of "knock out drops" was also found. A large collection of clippings from Chicago newspapers was found, telling of the arrest and conviction of James Bell, the husband of one of the women, and of the crimes of other western criminals. When questioned at the stationhouse the Nelson woman said her home was in Roland, Mo., and the Ray woman said she came from Sedalia, Mo. The women were sent to police headquarters as suspicious persons and Captain McClusky telegraphed to the Chicago police for full information.

### Held by Insane Husband.

St. Louis, Nov. 13.—In the grasp of her insane husband Mrs. Ralph Reif battled for her life from 7 p. m. Thursday night until 2 a. m. Sunday. When

help finally came Mrs. Reif was so weak that she could scarcely speak. She had been kept a prisoner by her husband in the third story flat for three days. For two days of this time she was without food. A tenant on the floor below hearing the disturbance finally called on a passing policeman who summoned help and then hastened to the woman's relief.

### Shot in His Room.

St. Louis, Nov. 17.—John Armstrong, son of Ex-Police Sergeant Armstrong, a check clerk at Cupples Station, was found dead in the diningroom of his home. His face was stained with blood and close to his right hand lay a revolver with an empty shell and four loaded chambers. The man's wound showed he had been shot through the heart from the rear. Mrs. Rose Louvier, aged 30, who had been cooking meals and taking care of the rooms occupied by Armstrong was arrested together with her husband.

### Texas Dies at Chicago.

Chicago, 13.—Dr. William H. Whitten of Pilot Point, Tex., who has been visiting friends here, was found dead on Sunday. Death is supposed to have followed an overdose of morphine taken to alleviate pain caused by injuries incurred in a recent accident. Dr. Whitten had been engaged for some time in the business of raising cattle and thoroughbred horses and was well known among stock raisers in Texas and other southern states.

### Torn to Pieces.

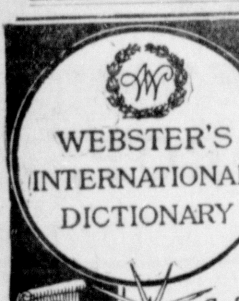

Eastland, Tex., Nov. 13.—Bart Harvin was killed Saturday while working in his father's, J. F. Harvin's gin, near the Texas and Pacific depot. The young man who was about 16 years old attempted to go under the main shafting for something and his clothing was caught and he was whirled around rapidly to his destruction. One arm was torn off, his head crushed, and both legs were nearly torn off. He died almost instantly.

### Derailed by a Cow.

Luling, Tex., Nov. 13.—The San Antonio and Aransas Pass passenger train struck a cow, derailing the engine, baggagecar and coach one mile east of Ottine. The engine left the track about 30 feet, the baggagecar turning completely over, while the coach only left track. Engineer Nichols had his knee sprained. Fireman Hinds was badly hurt in the back, and three passengers were more or less bruised.

### Loving Cup for Schley.

New York, Nov. 13.—The Journal's Baltimore special says Admiral Schley's friends all over the country are to present him with a silver cup and complete dinner set made from coins taken from the Christobal Colon. General Gary of Maryland, Mrs. Phoebe Hearst, McClure and others subscribed and started the movement.
